Trip Tip's:

Both U.S. Dollars and Cambodian Riel are used in Cambodia. However, when you pay in U.S. Dollars, you are likely to get change back in Riel. If its a large amount, ask them to give your change in dollars, but small establishments may not have enough dollars. If it is a small amount of change, just keep it to make small purchases later. Remember that small establishments may not be able to change large denomination U.S. bills. Recommended:

When you have free time in Siem Reap, and want a relaxing massage. Go to Seeing Hands Massage, a non profit NGO giving massages by the blind for their support. You get a great massage and help out at the same time.
