Trip Tips:

If you need to get cash during your trip, there is no need to worry. ATMs are widely available in most areas in the cities now. However, ATMs are not located in rural areas. Depending on the country, currency denominations other than dollars are available. Recommended:

When you have a free evening in Siem Reap, and you want to do some shopping and pick up some good bargains, head over to the Noon-Night Market and the Angkor Night Market located nearby. You will find a wide variety of souvenirs, handicrafts, paintings, silks, decorative items, and even services such as massage. There are also restaurants serving food and drink. They are right in the Old Market area near Pub Street, so you can take a walk over there in the evening.
